**Re: Notice of *Ex Parte* Presentation by
T-Mobile USA, Inc. in CC Dckt. No. 95-116**

Dear Ms. Dortch:

Yesterday, Thomas Sugrue and I, on behalf of T-Mobile USA, Inc., met with Commissioner Kevin J. Martin and his Legal Advisor, Sam Feder, to discuss the above-referenced proceeding. Consistent with the positions outlined in the attached written presentation, T-Mobile urged the Commission to resolve the rate center dispute in a way that enhances, not inhibits, competition and to clarify that interconnection agreements are not necessary to facilitate intermodal local number portability ("LNP"). T-Mobile also explained that the Commission has ample legal authority to grant CTIA's Petition for Declaratory Ruling without issuing a new Further Notice of Proposed Rulemaking.

As required by Section 1.1206(b), this *ex parte* notification is being filed electronically for inclusion in the public record of the above-referenced proceeding, and a copy is being submitted to all FCC personnel who attended the meeting.
